To the Honorable, the City Council:

With respect to Awaiting Report Item No. 13 regarding a prisoner rehab center in the new County Courthouse, please be advised that I have been in contact with the office of John Danehy, Chairman, Middlesex County Commissioners. The Commissioner's office indicates to me that the Department of Corrections has toured the facility for possible future use but has made no definitive determination as to whether, or for what purpose, the facility might be used.

Thomas Gibson, Head Executive Assistant to Commissioner Danehy has assured me that he will notify the office when more specific information is made available by the Department of Corrections.

Very truly yours,

James L. Sullivan
City Manager
