Mayor Michael A. Sullivan
City of Cambridge

Dear Mayor Sullivan:

President Lawrence Summers of Harvard University kindly forwarded to me the City Council's Resolution of September 8th 2003 in memory of my late husband, Archie E. Epps. Would you please express to the City Council my family's deep appreciation for that generous gesture. Archie lived in Cambridge for many years and spent his entire working life there. He always retained a deep affection for the City and would have been honored by the Resolution. With much gratitude,

Valerie Epps
