RECEIVED BY
OFFICE OF CITY CLERK
1989 MAR -3 PM 12: 27
CAMBRIDGE MA.

To the Council,

I am sorry to know that Mayor Vellucci will not be running for City Council. Although Mayor Vellucci will not be actively included in the council, I hope the new council will continue with support for the rights of animals.

The council should not only act on the proposals of already existing animal welfare groups, but in addition attempt to bring such issues to the attention of others.

Thank you
