City Hall
Cambridge, MA 02139

Dear Mr. Healy,

We have received your communication regarding a request of the SCEOC Board to attend a City Council meeting on Monday, June 9th at 9 P.M. regarding our recent election process. Unfortunately, we have a previously scheduled meeting for the same date in which our Board Officers and Committees will be required to attend. This meeting is essential due to a June 10th mandate from our basic funding source, the Community Services Administration. The meeting will specifically address the role and relationships of the Planning Teams to the SCEOC Board and therefore the results may have a bearing on the recent elections held by the Planning Teams.

In view of this, we regret that we are unable to attend this meeting, however we would hope that this issue could be addressed in a subsequent meeting of the Council. Please provide us with some additional notice as our by-laws require a 5 day written notice to our Board of scheduled meetings. In the interim, if you have any questions, please contact John Sullivan, our Interim Executive Director at 868-2900. Again, our sincere apologies for our inability to attend this meeting.

Very truly yours,

George Gaspa
