Jeff Murray, Secretary
Riverside-Cambridgeport Community Corporation
217 Western Avenue
Cambridge, MA 02139

Sir:

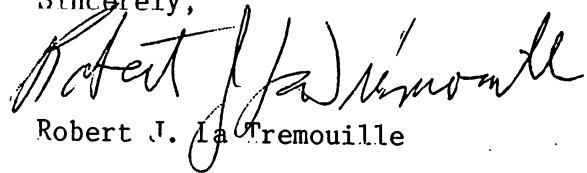

I have registered as an Associate Member of RCCC at least twice. I have attempted to familiarize myself, insofar as possible, with the serious problems of the corporation.

I have been concerned that I have not received notices of meetings, either regular or annual, for years, and I have not received notices of elections of directors or officers during the same period.

I am now shocked to be informed that the corporation has not elected directors or officers for years.

Kindly immediately provide me a copy of the bylaws and provide any and all other equivalent or superior corporate rules and/or regulations so that I can clearly establish my rights and responsibilities. Please immediately schedule all elections which are due or past due.

Sincerely,

A handwritten signature in dark ink, appearing to read "Robert J. La Tremouille", written in a cursive style.
