

Brookline St from Putnam Ave
to our line will be paid in
in a few days and I trust that
the city will then be ready to
continue to the bridge.

I hope if this has not been
already acted upon it will be
at once and so save us much
annoyance,

Yours truly

Dear Sir

As the watering season has returned and the dust is a forcible reminder that we need some sprinkling done, I apply to you to put in an application to the Aldermen or Council to have the causeway on Brookline St from our line to the Bridge, watered as in former years. Last year they were rather late in acting upon it consequently we suffered most horribly from dust. The money for watering
