## Reg: Number 75 bus route

We, the undersigned, petition the MBTA to add service to the 75 bus route. Specifically, we find the service too infrequent, particularly Monday through Friday. We also find that there is no transportation after 6.36 pm in the evening. This is inadequate for the needs of the neighborhood.

Ridership on this route has dramatically increased in the past 3 years, and we speculate that if this route were better served, ridership would further increase.

With submission of these signatures, we sincerely hope that this situation will be favorably resolved forthwith.

## Reg: Number 75 bus route

We, the undersigned, petition the MBTA to add service to the 75 bus route. Specifically, we find the service too infrequent, particularly Monday through Friday. We also find that there is no transportation after 6.36 pm in the evening. This is inadequate for the needs of the neighborhood.

Ridership on this route has dramatically increased in the past 3 years, and we speculate that if this route were better served, ridership would further increase.

With submission of these signatures, we sincerely hope that this situation will be favorably resolved forthwith.
