

Cambridge, Oct 8th 1888

To the Honorable, the Mayor, and Aldermen,
of the City of Cambridge

The undersigned respectfully pray

The undersigned owners, tenants and Agents
of property on the Northerly side of
Main St., respectfully represent that
the change of the grade of the
drive way leading to the Stable
occupied by Mrs Fairbanks, formerly
known as Pike's Stable has caused
them serious inconvenience and great
damages to property, as the grade
is now so high that it turns the
surface water into the basement of
the buildings in the immediate vicinity.
During the storm of Oct 7th the
water collected in some of the basements
to a depth of one foot. wherefore your
petitioners pray that the evil may be
remedied and that they may be reimbursed
for damages suffered.

Mrs. Fairbanks.
