

CHARLES MALIOTIS

December 10th, 1976

Mr. Paul E. Healey, City Clerk
City Hall
Cambridge, Massachusetts

Dear Mr. Healey:

A few days ago, I received a copy of the resolution that the City Council of Cambridge voted on September 27th, 1976. This resolution congratulates me and Mrs. Maliotis for the contribution we made by erecting a Cultural Center at the Hellenic College Complex in Brookline, Massachusetts.

This Center will be used to cultivate both the American and Greek culture and the cultures of other nations. By building this center, we hope that it will bring a better understanding in our community.

First, I want to thank Councilor Walter Sullivan who made the motion and through the Mayor to thank all the members of the City Council of Cambridge for the honor and also for making an exception for Mrs. Maliotis and myself by passing this resolution.

With humility, we accept your thanks and May God be with you always.

Sincerely yours,

Chas Maliotis
