- WHEREAS: The City of Cambridge and SEA Consultants, Inc./Montgomery-Watson-Hazra Team have been selected as winners of the American Council of Engineering Companies of Massachusetts 2002 Engineering Excellence Competition for the Crescent Carver Sewer Separation and Stormwater Improvement Project; and
- WHEREAS: This award is in recognition of the tremendous efforts of the City of Cambridge, and in particular the Department of Public Works staff, and the SEA Consultants, Inc./Montgomery-Watson-Hazra Team in planning, design, and implementation of this very complex project in one of the most intensely developed areas of our City; and
- WHEREAS: This team was selected for recognition by a panel of judges representing the academia, the engineering and construction community, the media, and architecture and public sector; and
- WHEREAS: The American Council of Engineering Companies will make this award at a banquet that will be held on January 22, 2002 at the Marriott Hotel in Newton, Massachusetts; now therefor be it
- RESOLVED: That this City Council congratulate City administration and staff involved in this award winning project, in particular Owen O'Riordan, Catherine Daly-Woodbury, and John Nardone of the Department of Public Works, and the SEA Consultants, Inc./Montgomery-Watson-Hazra Team whose good work has resulted in receipt of this prestigious industry award; and be it further
- RESOLVED: That the City Clerk prepare a suitably engrossed copy of this resolution for presentation to the Department of Public Works and the SEA/Montgomery-Watson-Hazra Team.

In City Council December 17, 2001.

Adopted by the affirmative vote of nine members.

Attest:- D. Margaret Drury, City Clerk.
