

The Commonwealth of Massachusetts

DEPARTMENT OF PUBLIC UTILITIES

February 1, 1989

D.P.U. 89-15/89-16

TELEFIND CORPORATION

D.P.U. 89-15

Telefind Corporation ("Telefind") is seeking permission from the Department of Public Utilities to offer a service which would provide regional and nationwide forwarding of radio paging. The service will forward paging signals by using the public telephone network. Telefind is seeking a certificate for that part of the service which would be provided on an intrastate basis within Massachusetts. Telefind has applied for both a Radio Common Carrier Certificate and a certificate to be a telecommunications common carrier. The telecommunications application has been docketed as D.P.U. 89-16.

The above is officially captioned:

Application of Telefind Corporation for approval by the Department of a certificate as a radio utility within the Commonwealth of Massachusetts.

D.P.U. 89-16

Telefind Corporation ("Telefind") is seeking permission from the Department of Public Utilities to offer a service which would provide regional and nationwide forwarding of radio paging. The service will forward paging signals by using the public telephone network.
