COMMUNICATIONS

Cherry Communications, a Division of Cherry Payment Systems, Inc., an Illinois corporation, has applied to the Department of Public Utilities for permission to provide resold long-distance services. Cherry Communications also proposes to provide Alternative Operator Services ("AOS") to residential and business customers within the Commonwealth of Massachusetts.

This investigation is officially captioned:

D.P.U. 92-236

Application of Cherry Communications, a Division of Cherry Payment Systems, Inc., under the provisions of Chapter 159 of the General Laws as amended, for a certificate of public convenience and necessity to operate as a resale, value-added or interexchange common carrier within the Commonwealth of Massachusetts.

Comments, objections and requests for a public hearing on the proposed service must be made in writing with specific reasons for requesting a public hearing, and filed with the Secretary of the Department on or before February 19, 1993.

The petitioner, Cherry Communications, is required to give notice by publications hereof once, in the Boston Globe, the Morning Union (Springfield), the Berkshire Eagle (Pittsfield) and the Worcester Telegram, and to serve a copy hereof at least twenty-one (21) days prior to said date [February 26, 1993], on the attached list, and to make return of service and publication no later than March 1, 1993.

By Order of the Department,

Mary L. Cottrell, Secretary

Consent Comm. # 8 5-51

Investigation by DPU on the petition
of Cherry Communications to provide
resold long-distance services and
alternative operation services to
residential and business customers
within the Commonwealth.
