

City of Cambridge

Common Council

In ~~Board of Aldermen~~ February 6th, 1900.

The Joint Standing

Committee on Roads and Bridges,

which by an order of January 16, was requested to consider the advisability of repairs on that portion of Winthrop street, west of Boylston street,

Reports

That Winthrop street, so-called, west of Boylston street, is not a public way and the City has therefore no right to make repairs thereon.

For the Committee,

Wm J. Rounds
