To the Honorable, the City Council:

In response to City Council Order No. 16 of December 16, 1985, the Traffic Department will conduct a study on Middlesex Street regarding the number and type of trucks which use the street to determine if any violations exist. In regard to the noise levels, I have asked the Police Department to look into the matter in an effort to enforce the City's Ordinance regarding proper noise levels in neighborhoods.

Very truly yours,

Robert W. Healy
City Manager
