7.

IN CITY COUNCIL

April 1, 1974

Councillor Ackermann

ORDERED:

That the City Council request the City Planning and Economic Development Department to investigate the possibility of the Federal Department of Transportation, or another appropriate funding source, to finance a full time staff assistant to aid the Bicycle Commission in its work, and be it further

ORDERED:

That the Community Development Administration make available staff for an immediate study of alternatives for substantially increasing the use of bicycles by City employees on official business, as well as for travelling to and from work.

Cambridge City Council
c/o Paul Healy
City Clerk
City Hall

Dear Sirs,

At a meeting on March 16, 1974, the City Manager's Bicycle Commission met and voted:

Ordered { That the City Council request the City Planning and Economic Development Department to investigate the possibility of ^{the} Federal Department of Transportation ~~funding~~, or ^{an other} ~~other~~ appropriate ^{source} funding, to finance a full time staff assistant to aid the ^{Bicycle} Commission in its work.

I hope that this matter meets with your approval, because a full time aide would enable the Commission to properly analyse and make recommendations on the implications of increased bicycle traffic on safety, mobility and emissions in the city.

Sincerely Yours,

Nick Brand
