Dear Mr. Sullivan:

Last night, S E A Consultants Inc. was awarded the *HOT FIRM 2000 Award* by Zweig White & Associates, Inc. for being one of the 50 fastest growing engineering, architectural and environmental firms in the country. It is always a thrill to have the company recognized for its hard work and achievements. As I received this award, I thought of the people most responsible for S E A's success - our employees and our clients. Without our employees, we would not be receiving such an award. Our employees are our company. Without our clients, we would not continue to be successful in our business.

I want to take this award as an opportunity to personally thank you for your business, support and confidence in S E A and its people.

Sincerely,

S E A CONSULTANTS INC.
