Donald Wilson
Mrs. John Yearwood

SUBJECT: Letter of Commendation sent to Det. Halliday

Enclosed you will find a letter addressed to Detective Halliday sent by the Civic Unity Committee with regard to the interest, efficiency and cooperation shown in his involvement with the parents and pupils of the Cambridge Schools. Without some of the fine work he and his associates have done, it is the shared opinion of many that our school conditions would be a lot worse.

Sincerely yours,

Clorae Evereteze
Executive Director
