D. Margaret Drury
City Clerk
City Hall Of Cambridge
795 Massachusetts Avenue
Cambridge, Massachusetts 02139

Dear Ms. Drury:

I received the Resolution you transmitted on behalf of the Cambridge City Council, petitioning the United States Congress to allow US Postage stamps to be sold, whereby an additional penny will be assessed and that penny will go towards the fight against breast cancer. As you may have already learned, Congress in fact recently passed, and the President signed into law, legislation that will result in the creation of a special postage stamp to help fund breast cancer research. A Postal Service special task force is working to determine the selling price of the stamps. I strongly supported and voted for this legislation, and I'm glad that it passed.

I thank the Vice Mayor and the City Council for their input on this issue.

Barney Frank
