It is our strong feeling that GOLDEN AGE WEEK should be a special time for all of us in the city of Cambridge.

I have spoken with Helen Hall and we felt that during this week, May 2- May 9, all senior citizens in Cambridge, between 9:00 am and 2:00 pm, would be transported anywhere in the city of Cambridge for the flat sum of \$0.75. This service would be by telephone request only.

I hope this works well for the seniors in Cambridge and I would continue this on an annual basis.

Sincerely,

Arthur Goldberg
