SUMMARY

Senior public policy manager and antitrust litigator with significant experience in federal and state government. Substantive policy development and civil and criminal litigation background in regulated industries including banking, public utilities, and transportation.

PROFESSIONAL HISTORY

Assistant Secretary
Massachusetts Executive Office of Consumer Affairs
and Business Regulation, Boston, MA

1989
October 1987-~~present~~

Broad policy and oversight responsibility for the Massachusetts Division of Banks, Department of Public Utilities, and Cable Television Commission; formulate policy initiatives through legislative and regulatory proposals and manage implementation through the agencies. Substantive areas of policy development include interstate banking, financial restructuring, least-cost energy development, public utility rate design principles, and cable-telephone company cross-ownership.

Directed interagency task force on restructuring financial services in Massachusetts. Developed antitrust policy positions for Massachusetts Takeover Commission. Organized state's participation in and testified before Congressional Oversight Committee on federal merger policy, including Campeau-Federated merger.

Spokesperson for secretary before industry and consumer groups and on state's Energy Facilities Siting Council. Serve as interagency liaison between secretary and agency heads, other cabinet officials and constitutional officers.

Chief and Assistant Attorney General
Massachusetts Antitrust Division
Department of the Attorney General, Boston, MA

1986-1987

Supervised civil antitrust litigation, pre-complaint investigations, and complex settlement negotiations; developed investigations and cases targeting anticompetitive mergers and horizontal and vertical collusion in health care, transportation, entertainment, road building, retailing, and insurance. Major multi-state cases include Texas Air-Eastern and USAIR-Piedmont mergers, Minolta resale price maintenance case and boycott case against Lloyd's of London and other insurers.

Served as liaison between United States Senate Subcommittee on Antitrust and National Association of Attorneys General on federal legislative proposals, including major efforts to repeal antitrust immunity for insurance industry and proposals to amend federal merger laws.

Managed and directed thirteen member staff; reviewed and edited all written work product by staff; responsible for Division budget and the Commonwealth's antitrust revolving fund.

Trial Attorney

1978-1985

United States Department of Justice, Antitrust Division, Washington, D.C.;
Special Assistant United States Attorney, Virginia (six months-1984)

As senior staff attorney, managed and supervised complex antitrust cases and investigations involving airlines, tourism, trucking, railroad, maritime and stevedoring industries, with specialized litigation and diplomatic experience in extra-territorial application of United States antitrust laws.

Broad-based experience in criminal antitrust trial work, federal grand jury probes, civil investigations, settlement negotiations, plea-bargaining, and in reviewing, editing and drafting full range of litigation and discovery documents. Additional litigation experience in motion practice and oral argument before federal courts and administrative agencies.

Worked closely with Executive Branch and Congressional committees on transportation regulatory and economic policy issues. Member, White House Task Force on Trucking Deregulation.

As Special Assistant United States Attorney, substantial misdemeanor and felony trial experience including child abuse, narcotics possession and distribution and homicide.

Attorney-Advisor

1977-1978

Interstate Commerce Commission, Washington, D.C.

Supervised preparation and drafting of major ICC rulemaking on independent truckers during period of major strife in the industry. Advised Commission on National Environmental Policy Act. Represented agency environmental witnesses at administrative hearings.

Economic Analyst

1975-1977

Raytheon Service Company, Cambridge, MA (part-time during law school)

Conducted and published legal/economic research in transportation deregulation and energy policy issues.

Project Director

1973-1974

Community University Research Associates, Cambridge, MA

Manager and economist for socio-economic support service contract with United States Department of Transportation.

EDUCATION

J.D. *cum laude*, 1977, Suffolk University Law School, Boston, MA; M.A. in Economics, 1969, Northeastern University, Boston, MA; B.S. in Business Administration, *cum laude*, 1967, Northeastern University.
