City Council
City of Cambridge
Cambridge, Ma. 02138

Dear Members,

I am writing to protest strongly because the Traffic Commission gave permission for road races to block the streets and parking places around and near Waterhouse street on Sunday morning March 13 at just the time of the Christian Science church was holding our Sunday service. Our members couldn't reach the church. Officers were very curt and did not help to let us through.

or to help to find parking places.

Our attendance was very low
as also the collection as a result.

Why don't you route the racers
onto the Common with all their
orange stands and their cheering
spectators? That way none of the
churches in the area would
not be disturbed. Or send the racers
over to finish on one of Harvard's
athletic fields?

I hope the Council will see
to it that this will not happen
again.

Is that our church has no rights
to be considered?

Be fair!

Sincerely,

Mrs. Majorie M. Farnsworth
member of Christian Church
Waterhouse Street
