Deputy City Manager

To The Honorable, The City Council:

As the end of the Fiscal Year approaches, some unanticipated yet necessary transfers will be needed to maintain appropriation controls. The majority of these transfers involve funding employee contract settlements from the Salary Adjustment account. The funding for this account was approved in the FY97 budget.

In recognition of this fact, the City Council, for the past 20 years, has authorized the City Manager to make necessary transfers from allotments available balances to those needing supplementation to process year-end bills.

Passage of this order will permit the same activity to occur this year.

Very truly yours,

Robert W. Healy
