

City of Cambridge

IN CITY COUNCIL
March 25, 1974

ORDERED:

That the Commissioner of Public Works be and hereby is authorized to grant a permit to Franchi Construction Company, Inc. of 425 Watertown Street, Newton, Mass. to erect a barricade on the sidewalk on the following streets: Bent Street, Sixth Street, Fifth Street and Rogers Street for a period of two years commencing April 1, 1974 during the construction of a building at 250 Bent Street for the American Telephone and Telegraph Company,

Said permit to be subject to the following conditions:

1. A barricade constructed of chain-link 8 feet high with a roof of sturdy wooden construction to be erected in the public way suitably lighted as to prevent any injury to vehicles and pedestrians using this street.
2. Said barricade to occupy the entire sidewalk and during the period of construction no less than 30 feet will be provided for in the public way on the aforesaid streets for the safe passage of vehicles.
3. The contractor to restore existing sidewalk to the condition it was prior to the construction or to a better condition.
4. That no existing travel lanes shall be closed until authorized by the Director of Traffic and Parking.
5. That the contractor shall obtain a Temporary Street construction permit in addition to all other permits required by the City of Cambridge.
6. That the conditions having specified shall be subject to the approval of the Director of Traffic and Parking of the City of Cambridge, who may as he deems necessary, require traffic controls or the use of policemen to facilitate the flow of traffic.
7. The contractor to file with the City Clerk a bond in the sum of \$10,000.00 indemnifying the City of Cambridge from any liability that may arise from the construction of said barricade during the period of construction.

In City Council March 25, 1974.
Adopted by the affirmative vote of 9 members.
