The Honorable Members of the
Cambridge City Council
Cambridge City Hall
795 Massachusetts Avenue
Cambridge, MA 02139

Dear Members of the City Council:

I am writing in response to your communication of 21 March requesting my support for S. 463 regarding the regulation of cable television fees (Note: City Council Order No. 2, 12 March 1984).

Not only do I support this bill, but I am a co-sponsor. S. 463 is an important piece of legislation because it will bring Massachusetts up to date on the implementation of cable systems and allows cities and towns more control over the impact of cable in their own communities.

Thank you for letting me know the disposition of the City Council in this matter, and please do not hesitate to call on me if I can provide further assistance on this or any other matter of importance to the Cambridge City Council.

Sincerely,

George Bachrach
State Senator
