Dear Mr. Healy:

I have again reviewed the proposed driveway widening at 126 Amory Street. This widening of about six feet will enable vehicles to more safely enter and exit the existing parking lot. Presently cars entering must drive over the curb because of limited swing room caused by curb parking opposite the driveway.

I felt the widening of this driveway at 126 Amory Street is in the best interest of the City of Cambridge and that it be approved.

Very truly yours,
