2. Prior to the submission of its application, the Applicant has held two public hearings to obtain the views of citizens on community development and housing needs, at which the Applicant has provided citizens with adequate information concerning the amount of funds available for proposed community development and housing activities, the range of activities that may be undertaken, and other important program requirements, and through which the Applicant has provided citizens an opportunity to participate in the development of the application and in the development of any revisions or changes.

City Manager

To the Honorable, the City Council

Dear Councillors:

Transmitted herewith is a proposed resolution authorizing the filing of Block Grant applications under the provisions of the U.S. Housing and Community Development Act of 1974, as amended.

This is the same resolution as adopted by the Honorable Body in each of the first four years of the Federal Block Grant Program -- with one exception: authorization to file "Urgent Needs" applications was changed last year to "Urban Development Action Grant" applications to conform with the new legislation.

We intend to file our "Entitlement" application (\$3,628,000) with HUD by April 17, 1979.

Your Honorable Body has been receiving and will continue to receive all materials relating to the applications and other aspects of the Block Grant Program.

Very truly yours,
