ORDERED:

That the School Committee approve the following recommendation of the Sub-Committee on Athletics: that the School Committee urge the Cambridge City Council to support renovation of Russell Field as a permanent site for a combined football and track facility: such facility to be used by Cambridge Rindge and Latin School teams, as well as other youth athletic organizations and members of the community. Further, that the City Council be asked to direct the City Manager to consider the comprehensive renovation of this facility a priority. The School Committee looks forward to creating a partnership with the City Council to make this long overdue facility a reality for the people of Cambridge.
