Dear Friend:

Israel, through the American Zionist Jews (less than 6 million of the U.S. population) has captured our Government, 67% of our Congressmen, Cabinet posts and the President's vote in support of Israel, totally ignoring the desperate plight of the Palestinians, mothers and children driven from their homes like cattle through Jewish terrorism and take-over.

This is not American, Christian, fair, just or compassionate. It has cost us (the U.S. taxpayer) 3 billion dollars in the last ten years, one billion dollars this year and Nixon is asking for 2½ billion more for the current battle. Senator Fulbright, the pacifist, sponsored at least a billion dollars of support for Israel aggression.

If Israel's conquest in the Near East is not stopped - there - we will be faced with fighting the People Israel's conquest of, next the United States (with 3% of the population they control Congress), history repeating itself.

Please write and persuade others to write the President, your Senators, Congressman, your local newspapers, radio and television stations, "Do not approve Nixon's 2½ billions requested aid to Israel. Stop spending the \$900,000,000 appropriated and give the \$900,000,000 to the victims of Israel's aggression." Keep our money, munitions and men out of the hands of the People Israel.

The proper salutations are:

The President
The White House
Washington, D.C.

The Hon. John Smith
United States Senate

The Hon. John Smith
U.S. House of Representatives
