

City of Cambridge.

In Common Council, Oct. 9 1882,

~~Ordered.~~ The Committee on Public Property
to which was refer'd the petition of Jos W.
Packer for Fountain in Hastings Square,
Reports

That, while acknowledging the
advantages of improvements of this character,
it seems evident that the granting of the prayer
of the petition would be but opening the door
for many similar requests, leaving equal claims
possibly, and your committee does not feel
warranted in recommending at present what
would undoubtedly soon result in calls for
large expenditures in that direction.

It is therefore recommended that the
petitioner have leave to withdraw.

For the Committee,

J. L. Porter

Accepted and sent up for concurrence,

Attest, W. Cotton Clerk,

In Board of Assessors. Oct. 9. 1872.

Conceded.
