

To the City Council of the City of Cambridge

The undersigned respectfully represents that he is the owner of a lot of land situated upon the Northernly side of Main St. between Essex St. and Prospect Street, and that said lot embraces about twelve feet in width of the present sidewalk in front of, and over his premises; that he is about to build a block of buildings upon the same, the front of which he is desirous of locating on the line of said Street, and therefore most respectfully asks that the same may be determined and established; and you are respectfully invited to give the same your immediate attention in order that the improvement may not be impeded.

Cambridge April 22nd 1868.

Edw. Hyde

In Board of Aldermen, April 22, 1868.

Referred to the Committee on Roads and Bridges
