To the Honorable, the City Council:

In response to Awaiting Report Item Number 03-78, regarding a report on the maintenance around Lafayette Square and on the status of the construction project, please be advised of the following:

This area was thoroughly cleaned during the month of July. Also, we have been advised by the Mass Highway Department that they hope to have the contract out to bid this Fall which would mean construction should be expected in Spring 2004.

Very truly yours,

Robert W. Healy  
City Manager
