IN CITY COUNCIL

Councillor William H. Walsh

June 26, 1989

WHEREAS: While the headline said the employees were stunned, the stark reality behind the headline is that the employees of the Irving B. Moore Co., 30 Cambridge Park Drive, Cambridge were treated in a shoddy and insensitive manner by their employer when they were advised by telephone on Monday evening, June 19, 1989, or by memo on Tuesday morning, June 20, 1989, that they need not show up for work because their job was gone so far as the company was concerned; and

WHEREAS: For the owners of the Irving B. Moore Co. to kiss off hard working employees and their families with the reported statement that, " We wish all our employees and your families Godspeed and extend our warmest appreciation for your many years of devoted service " , is not only a farce, it is insult added to injury, unjust and wrong. Employees deserve better than that; now therefore be it

RESOLVED: That this Council is recorded as lamenting the manner in which the principals of Irving B. Moore Co. failed to notify their employees of termination in a timely manner and urges all employers in the City of Cambridge, as well as in the Commonwealth and the nation, to insure that there will be no more Moore's so far as employees' right to know and right to security are concerned; and be it further

RESOLVED: That the City Clerk be and is requested to prepare a duly engrossed copy of this Resolution and insure that same is hand-delivered to the offices of Irving B. Moore Co. at the referenced address within twenty-four hours of this Council Session.
