Dear Ms. Albano,

Many thanks to you, Councillor Sullivan, and the entire membership of the City Council for your condolence and for all the effort put into the resolution on the death of my father, 'Harry' Delaney.

I have framed my copy and placed it beside the resolution passed upon the death of his own father, Mark E. Delaney in January 1923.

Please convey my special compliments to Councillor Sullivan in carrying on the tradition of thoughtfulness and humanity set by his father.

Sincerely yours,

"Jilly" Delaney Scales
