Dear Mr. Kelly:

Enclosed is a copy of an order introduced by Councillor Vellucci at the City Council meeting of December 10, 1984 relative to the removal of sludge from the Dewey & Almy site in North Cambridge.

Any information relative to the type of materials removed from the Dewey & Almy site, the number of loads per day, and the time frame in which the dumping occurred, the names of the contractors, and the person who supervised the dumping will be of great assistance to our Council.

Your kind cooperation in this matter will be greatly appreciated by the members of the City Council. I have enclosed a self-addressed envelope for your convenience.

Very truly yours,
