IN CITY COUNCIL

April 26, 1993

COUNCILLOR DUEHAY
COUNCILLOR WOLF
MAYOR REEVES

WHEREAS: Traffic congestion and traffic safety are major concerns in the area of Concord Avenue and Garden Street as those streets intersect with Walker, Shepard, Chauncy, and Follen Street; and

WHEREAS: The Planning Board has recently approved a new residential development at that location between Garden Street and Concord Avenue without waiting for the traffic study requested by the City Council to be completed; and

WHEREAS: The City Council has recently requested that the signal light at the intersection of Garden Street, Follen Street and Concord Avenue be fully signalized and that a sum of money be placed in the 1994 budget for that purpose; and

WHEREAS: Nearby residents have declared that the intersection of Chauncy Street and Garden Street is highly dangerous, citing numerous traffic accidents at that location; now therefore be it

RESOLVED: That the City Manager be and hereby is requested to ensure that the traffic study earlier called for be completed without delay and furnished to this city council, giving special additional attention to the Chauncy/Garden Street intersection; and be it further

RESOLVED: That this traffic study involve surveying the Harvard University Police whose offices are at the Chauncy/Garden location.

In City Council April 26, 1993.

Adopted by the affirmative vote of nine members.
