I recently learned of the "wall-breaking" ceremony that took place on Mass Ave. last month. I wish I could have been there myself! Perhaps sending you this message, though, would be the next best thing.

I am conducting a small project that is focusing on the needs of people over sixty online. I have been granted a maximum of 30 free accounts with the Village of Cambridge, Inc., a local online service provider. The Village of Cambridge, Inc. has also agreed to donate essential starter kits and software as well as customer support time. I now need to connect with a group of no more than 30 individuals over the age of sixty to participate in this project with me.

Enclosed you'll find a flier to post that could help me contact people to participate.

If you or your colleagues have any questions, please feel free to contact me at (617) 393-4900. I hope that some individuals with whom you work would like to become involved in this important project.

Sincerely,

Betsy Campbell
