RE: Banner Request

Attached please find a petition to hang a banner from City Hall to the YMCA, over Massachusetts Avenue. This bright green cloth banner proclaims "Cambridge Celebrates World No Tobacco Day May 31," with a graphic of a globe to the side. I am requesting the banner be hung for the week of May 25 - 31, so that the residents and patrons of Cambridge may recognize the City's efforts to raise awareness of the dangers of tobacco. As you know, in 1986 the Director General of the World Health Organization declared May 31 "World No Tobacco Day," and the day has been recognized around the world since then. CUSP and all of the Cambridge tobacco education and prevention programs will be conducting a variety of activities during the month of May to heighten awareness of this important date.

Thank you for your consideration of this request.
