

Cambridge April 23 - 1873

To the Honorable Mayor and Board
of Aldermen of the City of Cambridge
The undersigned, would most respectfully
petition your honorable body,
that Auburn street, from Brookline
to Sydney street, be laid out, graded
and accepted as a public way —
The undersigned would most respectfully
suggest, for your consideration in considering
the above, the important fact, that the
City is the owner of all the lands
bounded on said street, commencing at
about 125 feet from Brookline street,
and that Public Justice would
compel the City to act in their own
case as liberally as they compel
private Citizens to do in theirs
