To the Hon City Council,

The undersigned, who was requested by an order of Nov 13th - to report whether unauthorised private individuals have been guilty of removing trees from Putnam street, has attended to the same and asks leave to

Report

That upon investigation he finds that one tree has been removed from the front of the estate of John A. Magee, and that so far as the undersigned is aware without authority; but said tree stood about in the centre of the sidewalk, and was not of much account, beside the owner of the estate has set a row of young trees along his front, making as I believe a very good improvement.

Respectfully Submitted
