City Clerk, Paul E. Healy  
City Hall  
Cambridge, Massachusetts

Dear Sir:

On January 15, 1973, a license was granted to Hospital Transportation Service, Inc., for the operation of motor vehicles for hire over various ways in the city of Cambridge. I would like to request that this action be scheduled for a re-hearing before the city council in order that the taxi companies in Cambridge may express their sentiments to why this license seriously undermines the broad licensing of taxis in the city of Cambridge and would, if allowed to materialize, create a heavy economic burden on the industry.

The taxi industry was not informed at the time this petition was heard and granted and we hope that our concern in this matter will be taken into consideration at the earliest possible time.

Very truly yours,

Cambridge Taxi Company
