

The Riverside Press
Cambridge, Mass.

July 10th, 1888.

To the Honorable

Mayor and Board of Aldermen of

The City of Cambridge.

Gentlemen,-

We respectfully call your attention to the condition of the Mill Pond, so called. It is in fully as bad or worse condition than a year ago; and as the hot weather is fast approaching we fear a recurrence of the unhealthy exhalations of last year, accompanied by sickness to the employees of The Press and the community in the vicinity.

May we ask that this nuisance, so long existing, be promptly abated.

Yours very respectfully,

H. O. Haydon & Co.

CITY OF CAMBRIDGE.

June 12/88 [illegible]

In Board of Aldermen, July 19. 1888

The Committee on Roads & Bridges,

to which was referred the petition of H. O. Houghton & Co. in relation to the condition of the mill Pond,

Reports,

Recommending no action necessary, the City Council having already voted that the mill Pond be partially filled.

For the Committee.
