Mayor Michael Sullivan
City of Cambridge
795 Massachusetts Ave.
Cambridge, MA 02139-3201

Dear Mayor Sullivan,

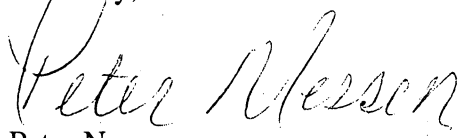

The Massachusetts Cultural Council (MCC) is pleased to present the city of Cambridge with a certificate recognizing the city's contribution to the Cambridge Arts Council through the Matching Incentive Program. Through the program, MCC matches money raised locally from private and public sources with state funds that are added to the allotment given annually to each city and town. With this certificate, we are recognizing that the city of Cambridge has contributed \$416,000 to its local cultural council over the past 5 years.

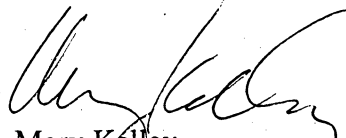

Partnerships formed between the state and local government are critical to the success of both the Matching Incentive Program and Local Cultural Council Program. By appointing council members and managing state funds at the local level, your municipality plays a critical role in ensuring the smooth operation of the city.

LCC-funded programs bring people together and foster a sense of community pride. They help residents know and understand their neighbors. The scope and breadth of LCC funded programs represent a critical form of community development that can help make Cambridge a safer, more cohesive and more sustainable city. Your investment in the contributes to economic development, bolsters efforts to improve the quality of education, and helps address quality of life issues.

Thank you for your support of local programs in the arts, humanities, and sciences.

Sincerely,

Peter Nessen
