Gentlemen

Last month in South Viet Nam a young man from our neighborhood here in the Fresh Pond section of our city made the supreme sacrifice in the service of his country.

He was the first resident of the area to be killed in action.

His name was Michael J. Luppette P.F.C.

U.S.M.C.
I think it would be appropriate at this time to name the new ball park soon to be erected on the site of the new John F. School in his honor.

I thank you for taking time to read this
