To Whom It May Concern:

It has been brought to my attention that it is necessary to ask permission of the City Council of Cambridge in order to receive a permit for a block party.

Last year we **conducted** a very successful block party here on Eustis Street. The entire street participated in and supported the effort, including the signing of a petition which was necessary in order to get the permit last year.

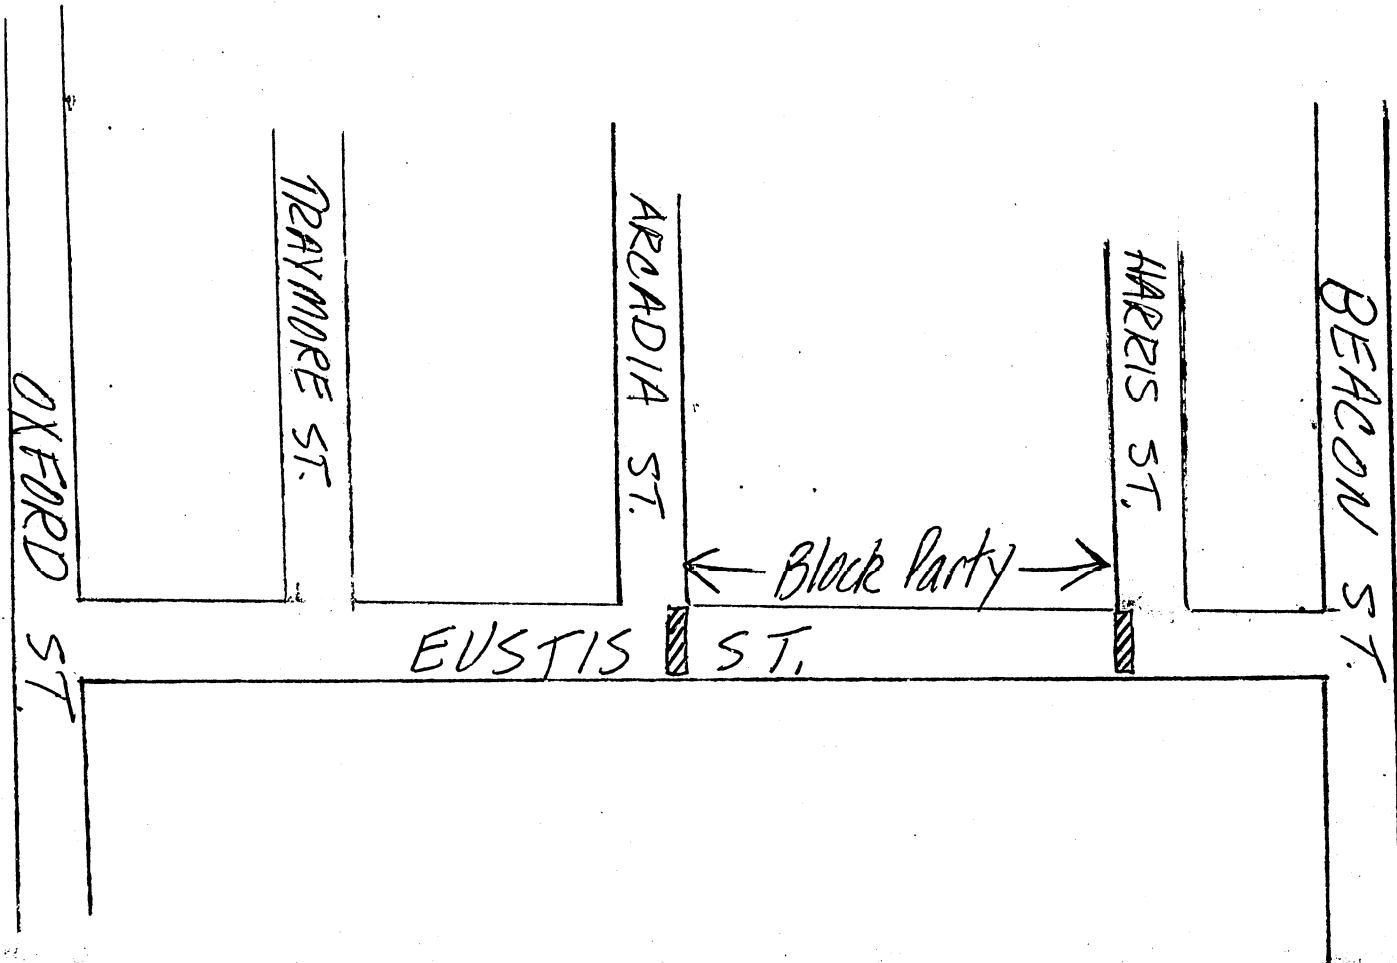

This year these same people are looking forward to our annual block party. As neighbors, we work cooperatively, forming committees to insure that there will be good food and entertainment in addition to appropriate set-up and clean-up procedures. Thus far this year we have had three neighborhood meetings to discuss our plans, and have decided on the following:

Date: Sunday-August 1, 1976

Rain Date: Sunday-August 8, 1976

Time: 3-9p.m.

Location: Eustis Street, Cambridge, between Arcadia and Harris Sts.

We have formed the following committees:

- 1) Set-up
- 2) Clean-up
- 3) Food
- 4) Decorations
- 5) Children's Games
- 6) Permits&Other Correspondence
- 7) Entertainment

We are asking permission to have our block party on the aforementioned date, and at the aforementioned time and location

We look forward to your earliest response to our request, so that we may continue in our planning for a pleasant summer get-together.

Sincerely,

Maureen Ford
