

Dear Mayor Sullivan:

Wouldn't it be wonderful if we had a clothing store that carried plus sizes & misses and styles for our seniors in Central Square where we need one. The Senior Center has an average of 240 people a day coming and going and not the same ones everyday. They said they have the money, you just don't have anything in Central Square for them! There must be a business that would like their trade, say a Lane Bryant's with good sizes & good prices! It would really be nice to have such a store in Central Square. Everything we had & liked has closed or moved away. We need this for our senior population.

Thank You
