Subject: City Council Order # 9, dated 4/26/93

The Police Department encourages and seeks ways for members of the community to become involved and concerned about public safety. The Police Department will assist and train the adult community residents who have volunteered to be crossing guards after school hours at the Harrington School.

If the adults are assisting the children in crossing the street and do not become involved in directing traffic, there should not be any legal issues with the activity.

Arrangements to train and assist the adult volunteers can be made by contacting Superintendent Harold Murphy at 349-3308.
