Dear Mr. Myers:

Thank you for your thoughtful letters of May 15th. I am very supportive of the idea of identifying improvements that can be made in the short term without waiting on construction.

As we work with the Porter Square CAC and the North Mass. Ave./Porter Square consultants, we will look for short term improvements that we can go ahead and implement. As they are identified, we will let the CAC know which ones we will be implementing and when. I will also be responding to the specific issues you raised in your letter.

I was unable to make the first Porter Square CAC meeting, but I plan on attending the future ones. I am happy to work with residents on these issues in other forums as well, if you feel that would be beneficial.

Sincerely,

A handwritten signature in cursive script, appearing to read "Sue Clippinger".
