Salute!

November 6, 1989

Dear Members of the Cambridge City Council,

On Thursday, November 9th at 12 noon the Human Services Commission, in conjunction with the Local Council for Children, the Area Mental Health Board and the Board of Somerville Cambridge Elder Services will be holding a press conference in the City Council chambers. A report on the impact of the State budget cuts in human services on the residents of our city will be released at the press conference and several resource staff from children's services, mental health programs, child care, housing, education, elderly services and services to linguistic minorities will be present to answer follow up questions.

We hope that you will be able to attend this effort to inform the broader community of the human cost of these cuts and the impact on the quality of life for Cambridge's most vulnerable citizens.

Very truly yours,

Ron Benham/cy
