

Cambridge, June 9, 1876,

To the Honorable, the City Council,
of the City of Cambridge

The undersigned respectfully pray that immediate steps may be taken to widen Main Street on the North Eastern side, at the corner of Prospect Street, inasmuch as the proposed building of Mrs. Watrous if brought forward as now intended by her will be a serious injury to property upon Main Street and Central Square and an obstruction to all having occasion to use the sidewalk on Main Street. Your petitioners respectfully suggest that if the street be widened, betterments can be assessed upon the estates benefited thereby.
