ROBERT J. LEBLANC  
Assistant to the City Manager

June 26, 1972

To the Honorable, the City Council:

I have discussed with some of our citizens and with Paul G. Cowles, Superintendent of Recreation, the matter of maintenance at City playgrounds.

As you know there is a group of citizens who are anxious to develop a new program in this regard on an experimental basis here in Cambridge. The proposal would indicate that the additional cost to the City for implementing this same program is \$15,600.00 annually.

In talking with Mr. Cowles concerning this program, I realize that there are several legal problems that would have to be resolved in connection with this same matter. However, both Mr. Cowles and the writer are willing to investigate alternative playground maintenance programs and to this end I respectfully request your favorable consideration of an appropriation of \$15,600.00 to the Recreation Playground Department, Schedule F-16 - Experimental Contractual Maintenance, said sum to be included in and made part of the 1972 Tax Levy.

Enclosed for your consideration is order providing for this appropriation. Your favorable consideration will enable the Recreation Department to develop this program.

Very truly yours,

  
John H. Corcoran  
City Manager
